EDUCATION

University of Polytech Marseille

Software engineering degree

2015 – 2020

SKILLS

Programming Languages

Typescript, Javascript, CSS, Sass, HTML

Libraries & Frameworks

- React, Vue, Svelte
- Next.js, Nuxt.js, SvelteKit
- Node.js, Express.js
- Jest, Cypress
- Tailwind, Bootstrap

Tools & Platforms

- Git, GitHub
- GCP, Azure, CI/CD
- Netlify, Vercel, Heroku
- Docker, Webpack, Vite
- Firebase, Supabase
- Storybook, Figma

Database

MySQL, Postgres, MSSQL, MongoDB, GraphQL

Languages

French, English

PROFILE

Experienced software engineer with 5+ years of experience in developing scalable, user-centric software solutions. Proven track record in enhancing digital platforms, boosting user engagement, and operating in cross-functional teams in a variety of settings, from start-ups to major corporations.

PROFESSIONAL EXPERIENCE

Software Engineer (Full Stack)

Paper Education, Canada   04/2022 – Present

- Engineered user-centric features and optimized performance, benefiting over **300K students** daily.
- Launched a math practice feature achieving over **6 million completions** within months, boosting engagement by **200%**.
- Enhanced an essay review feature used by **thousands of students**, improving their writing skills and academic performance.
- Reduced page load times by **50%**, significantly improving user experience.
- Architected system components ensuring seamless integration and extensibility.
- Produced high-quality code, debugging complex issues, and maintaining user-friendly software.
- Collaborated with design teams to lead the architecture of technical solutions, fostering innovation and adaptability.
- Provided leadership within the engineering department via collaboration, knowledge sharing, and mentorship.
- Worked closely with cross-functional teams, including developers, designers, and product managers in agile start-up settings.

Software Engineer (Full Stack)

Eye-In-Media, Canada   02/2019 – 04/2022

- Implemented a loyalty program for a major mall, engaging over **5K customers** monthly, increasing repeat visits and customer engagement.
- Maintained and optimized a digital display system, ensuring seamless performance and client satisfaction, contributing to a **100% client renewal rate**.
- Conducted quality assurance tests to ensure cross-browser compatibility and mobile responsiveness.
- Adapted to evolving project scopes and stakeholder requirements without compromising quality.
- Provided groundbreaking solutions within a Research & Development settings.
- Tackled complex challenges autonomously, driving projects to successful completion.
- Mentored interns, fostering their professional growth and enhancing their development skills.
